

### **Washer-Extractor**

110 - 135 - 200 - 275 - 300 pound capacities

## SI Series

The SI Series – Softmount High-Speed Industrial Strength Washer-Extractors for Medium to Large Sized On Premise Laundry, Commercial and Industrial Laundry Applications, Including Resort Hospitality, Health Care, and Correctional Facilities

#### Outstanding Reliability and Efficiency at an Affordable Price

The SI Series is Designed to be Effortless and Powerful While Maintaining Low Cost of Ownership:

- ♦ Investment cost pays back through increased efficiency
- ♦ Fewer parts means less downtime
- ♦ 320G extraction equals less time in the dryer, yielding tremendous savings
- ♦ Extremely easy installation, no special foundation requirements
- Can be installed on upper floors and other difficult locations
- ♦ Low maintenance, long lasting, labor saving

#### **The EL6 Advanced Microprocessor Control**

- ♦ Easy to use
- ♦ 30 wash programs
- ♦ Trouble-free
- ♦ 8 chemical signals
- Programmable water levels, speeds and more
- ♦ Incredibly flexible handles demanding operations

#### Large Door Opening and Safe Door Interlock

- Opens nearly 180 degrees for easy loading/unloading
- ♦ Door and hinge made of 304 stainless steel
- Air operated silicon door gasket for extra tight seal and long life
- ♦ Safe, simple, reliable door lock system
- ♦ Optional 40 inch loading door on SI-275 and SI-300

#### **High Quality Bearings and Seals**

- The ultimate in durable design
- ♦ Cast steel housings
- ♦ Spherical roller bearings
- ♦ Triple V-ring seal for extra protection spare set in place
- ♦ Dry zone bearings are not damaged should seals leak
- ♦ Hard chromed high strength shaft

#### **Robust Energy Efficient Inverter Drive System**

- Incredibly flexible operation
- ♦ Excellent protection for the motor
- ♦ Latest technology for precise speed control
- Single motor drive without clutches and complication
- ♦ 320G high speed extract

#### **Freestanding Construction**

- ♦ Withstands the rigorous demands of continuous operation
- Tuned suspension system with heavy duty springs and industrial shock absorbers
- ♦ Easy installation with no special foundation requirements
- ♦ Optional air cushion suspension system
- ♦ Optional 1 or 2 way tilting available

#### **Side Mounted Supply Dispenser**

- Automatic flushing according to programming
- ♦ 5 cup dispenser standard
- ♦ Convenient height for easy access
- ♦ 8 chemical signals standard

The SI Series from B&C Technologies: Reliable, Durable, Affordable

#### Standard Features:

- Heavy duty construction
- All wetted parts are 304 (18/8) stainless steel
- 5 compartment supply dispenser
- Large door opening
- ♦ 30 cycle microprocessor
- ♦ 320G extraction force
- 3 degree lean back for strength and easier loading
- Air operated door gasket
- Variable speed inverter drive
- Dry zone bearings
- Stainless steel panels
- ♦ Water reuse capable

#### **Optional Features:**

- Tilting, 1 or 2 way
- Direct steam heating
- ♦ Air cushion suspension
- Water reuse inlet and drain
- EMI filter
- ▶ PC programming kit
