Vended 125 lb G600 Washer-Extractor Specifications

Expanding Options

How would my laundromat benefit from the addition of a Huebsch 125 lb washer-extractor?

Offer your customers something your competitors can't.

Set your laundry apart from the competition by offering customers a unique choice for washing their extra large items. This 125 lb machine can handle nearly every sizable article including: quilts, comforters, rugs and sleeping bags,

Increase your income with wash-dry-fold services.

If you're looking to offer wash-dry-fold services to offset those less-than-busy days, this washer-extractor provides an extra-large capacity wash that can handle pounds of linens and towels from restaurants, child care facilities, spas, hair salons and health clubs.

Keeping it Green

What makes this Huebsch machine green to save my operation some green?

Advanced leak detection eliminates wasted water.

We've answered owners' calls to help eliminate the issue of stuck drain valves with our advanced leak detection. Our control has a display indicator to let you know if a valve is stuck. No more wasted resources ... or money.

High-speed extraction reduces drying time.

At 140 G-Force, this washer-extractor removes more water than standard speed models. That means reduced drying time and lower gas consumption for your laundry ... did we mention improved profitability?

Unmatched Durability

What sets Huebsch apart from other brands in terms of reliability?

Not just standing behind our equipment, but standing beside you and your business.

Our **Made-In-America** product comes with an industry-leading bond. The entire machine receives

Huebsch's standard three-year warranty. In addition, Huebsch has more service representatives in the field than most brands have in their whole organization.

*Parts only, labor not included. See Huebsch Warranty Bond for specifics.
